EXAMINER'S AMENDMENT AND REASONS FOR ALLOWANCE

1. This Office Action is responsive to the applicant's claim amendment received on August 29, 2005.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Edward J. Wise on September 28, 2005.

The application has been amended as follows:

Claim 8, line 4, after "an image section for taking", delete "an".

3. Claims 1-3, 6-15, 21, 23 and 24 are allowed. These claims will be renumbered as 1-16.

Art Unit: 2621

4. The following is an examiner's statement of reasons for allowance: The prior art does not teach or fairly suggest displaying all the measuring points prior to scanning by superimposing visual indicators of the points on a two-dimensional image, and displaying the progress status by changing the display state of the points that were displayed in advance. This limitation, as part of the claimed combination, allows a user to "observe the progress while confirming the measuring quality" as described at the applicant's specification page 11, line 28.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian P. Werner whose telephone number is 571-272-7401. The examiner can normally be reached on M-F, 8:00 - 4:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph Mancuso can be reached on 571-272-7695. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
